KABACAN NATIONAL HIGH SCHOOL [06/06/1993 – 10/05/1997]

City: kabacan North Cotabato | Country: Philippines | Level in EQF: EQF level 8

VOCATIONAL

TESDA [15/04/2002 – 15/09/2002]

City: Batangas City | Country: Philippines

PIPE FITTING
NC1

WORK EXPERIENCE

GUAM ADVANCE ENTERPRISES, INC. – Barrigada Guam

PIPE FITTER

[13/02/2023 – 25/09/2025]

- Fabrication and erection of different kinds of pipe spool as per isometric and general arrangement drawing from process area to battery limit
- Layout, cutting, grinding, threading of small pipes for utility lines, fire water lines, and sewer lines.
- Install pipe support and stiffener along pipe rack area.
- Assist in hydro testing prior for commissioning activities

MJ STEEL & GENERAL SERVICES – Bauan Batangas, Philippines

PIPE FITTER

[04/10/2020 – 12/02/2022]

- Inspecting the workplace, clearing obstructions and preparing materials and equipment.
- Studying blueprints and planning pipe systems and related equipment installations.
- Using a variety of tools to modify pipes to specifications.
- Measuring and marking pipes for cutting and threading.
- Assembling and welding pipe components and systems.

SUNGCHANG ENGINEERING – Melaka, Malaysia

PIPE FITTER

[20/06/2019 – 20/06/2020]

- > Responsible for developing a baseline schedule
- > Defined project calendar, constraints, and milestones to project activities
- > Analyzed the critical path and deadlines
- > Monitored projects progress and made performance analysis using Excel spreadsheets
- > Created tabular and graphical reports based on man-hours and earned value
- > Responsible for developing and updating the bill of quantity piping tracker

 **MJ STEEL & GENERAL SERVICES** – Bauan Batangas, Philippines

PIPE FITTER

[10/04/2016 – 28/02/2019]

- > Fabrication and erection of different kinds of pipe spool as per isometric and general arrangement drawing from process area to battery limit.
- > Layout, cutting, grinding, threading of small pipes for utility lines, fire water lines, and sewer lines.
- > Install pipe support and stiffener along pipe rack area.
- > Assist in hydro testing prior for commissioning activities.
- > Perform other duties as directed by the supervisor.

 **TEKFEN CONSTRUCTION AND INSTALLATION CO.,INC Saudi Arabia Branch** – Eritrea

PIPE FITTER

[20/04/2016 – 20/10/2016]

- > Fabrication and erection of different kinds of pipe spool as per isometric and general arrangement drawing from process area to battery limit.
- > Layout, cutting, grinding, threading of small pipes for utility lines, fire water lines, and sewer lines.
- > Install pipe support and stiffener along pipe rack area.
- > Assist in hydro testing prior for commissioning activities.
- > Perform other duties as directed by the supervisor.

 **SUNGCHANG & AL-SHAIKH** – Khursaniya, Malifa Gas Facilities Project

PIPE FITTER

[18/12/2009 – 18/12/2010]

- > Responsible for preparation of material as required for the task given.
- > Interpretation of Structural Drawings, Plans, and P&ID drawing before execution of works.
- > Responsible for preparing materials before fabrication.
- > Cutting, grinding, and beveling of before fit up.
- > Perform, layout, cutting, grinding fit up for branch connection such as saddle, lateral, and dummy support.
- > Erection of pipe spool in to the pipe rack.
- > Layout and cutting the angle iron bracket, h beam, and t beam for cantilever and miscellaneous support.

 **KEPPEL SHIPYARD** – Benoi Road Singapore

PIPE FITTER

[02/09/2008 – 02/03/2009]

 **CONSOLIDATED CONTRACTORS INT'L CO. TEYSEER CONTRACTING CO. W.L.L.J.V.** – Ras Laffan Doha, Qatar

PIPE FITTER

[23/07/2006 – 19/06/2008]

 **EEI CORPORATION** – Bauan Batangas, Philippines

PIPE FITTER

[10/06/2002 – 15/10/2005]

- > Review blueprints to understand requirements
- > Set and modify specifications
- > Inspect and prepare sites for construction operations
- > Measure and cut pipes according to requirements
- > Weld, assemble, and lubricate pipes
- > Install and secure pipes.

SKILLS

studying blue prints / blueprints / join metals / operate welding equipment / manage time

LANGUAGE SKILLS

Mother tongue(s): English
